### Forthcoming Events

#### **Saturday 16th October - Mark Dale visits**

Mark Dale from the B.H.P.A. will be visiting (weather permitting) to check our aerotow operations, and hopefully give Allan Huntly his Senior Aerotow Coach rating. Please come along if you can and help us make sure everything runs like clockwork.

#### **Saturday 13th November - Parachute Repack**

10am Broomhall Castle in Mentrie. Possible small charge. Refreshments will be available. If you want to attend and haven't already done so, then e-mail Allan Phillips

#### **February 5th - 12th 2005 - Annual Lanzarote Hanggliding trip**

Need I say more?

### Thornhill Gala Day Report from Sue

Sir John MacMillan, the lead organiser of this years Thornhill Community Gala came down to the farm last week to ask George and me to thank everyone very much who took part in the excellent Gala 'flypast' that took place on Saturday 28th August. It was very successful this year with the lead formation of 'four' followed by the 'synchro pair' giving a very effective flypast. Hopefully after this years good display we will be brought forward to an earlier time in the Gala's programme for next year.

---

### Dual Aerotow Experience Flyers

Andy has kindly made up a Dual Aerotow Experience flyer. These are currently around 250 copies in the top drawer of the table just inside the hangar on the right. If you can think of any good places to put them, please take some copies and distribute them on noticeboards etc throughout the land! Hopefully it might bring some new people into the sport and the club.
